

PUBLIC NOTICE

Date: 1st January, 2018.

1. Under Swachh Bharat Mission an effort has been made by the government and Delhi Cantonment Board to provide Individual Household Latrine to all needy families, who do not possess this facility. Accordingly, the government has earmarked and allotted separate funds to DCB for the above purpose.
2. It is a matter of concern that inspite of earlier public notices inviting application from the public, no response has been received by DCB till date. As a result the unexpended funds are likely to get surrendered to the government very soon.
3. In the best public interest and to ensure the upkeep of the ODF status granted to Delhi Cantonment, a final request is being made through this public notice for immediate attention and necessary action by the concerned families/households by, 20th January 2018. In case no request is received by this office from public then this office will have no option but to conclude that no individual requires permission for construction of facility.
